Consent to Conduct Head Lice Inspections

Permission to cover the student for duration of time at Altona Meadows Primary School.

Throughout your child's schooling the school will be arranging head lice inspections of students.

The management of head lice infection works best when all children are involved in our screening program.

The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

The inspection of students will be conducted by a trained person approved by the principal and school council.

Before any inspections are conducted the person conducting the inspections will explain to all students what is being done and why it will be emphasised to the students that the presence of head lice in their hair does not mean that their hair is less clean or well-kept than anyone else's. It will be also pointed out that head lice can be itchy and annoying and if you know that you have got them, you can do something about it.

The person conducting the inspections will check through each student's hair to see if any head lice or eggs are present.

In cases where head lice are found, the person inspecting the student will inform the student's teacher and the principal. The school will make appropriate contact with the parents/guardians/carer.

Please note that the health regulations require that where a child has head lice, that child should not return to school until appropriate treatment has commenced. The school may request the completion of an 'Action Taken' form, which requires parents/guardians/carers to nominate if and when the treatment has started.

I hear by give consent for my child to be included in the schools head lice inspection program for the duration of their schooling at Altona Meadows Primary School

We will present cards to students on a weekly basis. January birthdays will be presented in February!
